Lenten
programme
2010

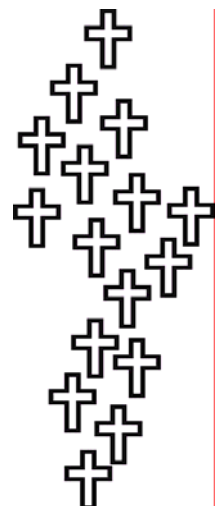

Week 3

What is in your cave?

Where
your
heart
is,
there
will
your
treasure

The Lord is waiting not just for you but for your family as well.

The journey to paradise must be a journey to the Father first and that journey is to be made with your family. God our Father gave you the family you are in. Yes, you did not choose your family but God our Father chose this family for you. Do you know something that God our Father does not know?

Begin
with
love.

Have you had time to have a personal inventory of all that is within you?

Procedure:

1. Begin with this opening prayer and a hymn of your choice.

Opening Prayer:

Lord Jesus, in this third week of Lent, we seek to be constantly aware of your presence. Open the mind and heart of our family members to be able to see within ourselves whatever is not from You. We make this prayer through Christ our Lord. Amen.

2. Scripture Readings: 1 Cor 13: 1-13
3. Reflections:
Lent is a time to renew our relationship with the Trinity. What have you done so far to renew this relationship?
Do you think you are matured in the Christian faith?
What are the signs of your Christian maturity?

4. Activity

Last week, when the t-lights were placed in the cave, the light just shone through the cave with the holes. Ask each member of the family to write on small pieces of paper what they are going to do to overcome imperfections in the family relationship.

5. After they have written this, have them paste it over the holes in the cave that they have made.

6. Have the family members share about what they have written.

7. Closing prayer to be said by all:

Lord, may we have the courage to correct the wrongs that we have done and be united as a family. Amen.
